2019 Youth Stewardship Renewal Form

Please fill out and turn in by November 3rd, 2019

What is stewardship?

It's when you are thankful for all the gifts God has blessed you with and make a choice to share those gifts with others. When you take the time to pray for someone, when you volunteer to help at Mass, when you do a good deed for a neighbor, comfort someone who is sad or needs a friend, or when you put money in the food pantry house – that's stewardship! Please pray about the gifts God wants you to share. Then mark on the form which things you can do.
